Merit Badges Classes

Overview

- Read merit badge pamphlet. All scouts are expected to have read the merit badge pamphlet prior to the first session.
- Print a copy of the merit badge worksheet found at www.meritbadge.com. These are easy to use worksheets published for each of these merit badges.
- The scouts will need to be familiar with all the merit badge requirements. The scout should start on those requirements that say “*list this*” or “*discuss with the counselor*” or “*make a table showing*”. The scout should bring all work that has been completed.
- The following requirements should be completed prior to attending the first session. **Individual instructors may slightly alter the prerequisites for their particular class.**
